

Martinez Pleasant Hill Futbol Club

Scholarship Request Form 2018

Martinez Pleasant Hill Futbol Club (MPHFC) offers partial scholarships to soccer players in need of financial assistance. Scholarship funds are limited, so we request that before you submit your application, please ask yourself if you are truly in need of funds. It is important to understand that financial aid is directly dependent on the amount of funds available and the number of applications received. In an effort to fairly distribute what funds we have available, our applications are in-depth and require supporting documentation. **No application will be considered without ALL supporting documents.**

MPHFC works hard to ensure that our registration fees are affordable and usually are lower than other local clubs. For this reason, and because of the limited amount of scholarship funds available, **scholarships are limited to, at most, 50% of a player's registration fees.** Please note that the club abides by a no-pay-no-play policy. Players with balances from previous seasons are not eligible for scholarships. Scholarships are only available to supplement registration fees and are not eligible to cover uniform fees and/or other team fees such as tournaments. If assistance with team fees is needed, please discuss fundraising opportunities with your team manager.

A new application for scholarship must be completed for each season that requires the payment of new registration fees. Scholarship monies awarded for one season does not guarantee the availability of a scholarship for subsequent seasons.

Scholarship eligibility:

1. You must be willing to submit personal financial information to the scholarship committee;
2. Parents/guardians, along with the players agree to actively participate in future team and club fundraisers and to contribute volunteer time to MPHFC; and
3. Parents/guardians agree to be responsible for paying the balance of the player's fees not covered by the scholarship request.

Scholarship applications for the 2018 season are due no later than March 10, 2018. Registration payments are due by March 15th 2018.

To apply for scholarship with MPHFC, please submit the following:

1. Completed Scholarship Request Form;
 2. Copies of recent paystubs from all working adults in the household;
 3. Most recently filed 1040 tax return (page 1 and 2 only) for both parents/guardians (or W2 showing adjusted gross income); and
 4. Any other documentation that may help us to understand your need for assistance.
- Please black out any personal information such as social security numbers on any document listed above.

Applications should be submitted to the club treasure Polly Farrow by mail to
